Dear Mr Weisberg, 11, 26, 96

Do please send me price list of your books, and any other materials you have for sale. Thank You very much for your stickin to the burden all these years. Someday I would like to know why JFK was shot. Some say this, some say that. Maybe it was somthing about Vietnam. Do you happen to know anything about status of E. Howard Hunt? Is he still in jail or free? I heard one of his partners F. Sturgis has died, the mouse skips the traps. Reading your book "Abstractions from Whitewash".

I believe lots of people would like to see your efforts rewarded, take heart.

Many Thanks

Charles Young
